WE HAVE THE SAME TAILOR BUT NOT THE SAME FIGURE.

WE IMPROVE THE FIGURE.

With our superbly handsome made-to-order suits that strike the ideal of perfect fitting clothing, and mark a discovery in the possibility of figure, you can find nothing better or finer than our dress and business suits, made up of faultlessly correct measures of materials that are prescribed by fashion. Fashion's prescriptions are exclusive, and our creations in sartorial art admit of no rivalry or imitations. It takes the mirror to reproduce them; but you cannot wear reflections. Waste no time in reflecting, but order right away your spring, summer or fall suit, and we are quite confident we can please you, as our fitting in the past speaks for itself. Give us a trial.

FRED SMITH, North St. Tailor, Bennington.
